Cuyamaca Woods Property Owner Work/Spending Log

Explanation of Other costs:

Instructions:

- 1) Record each day you work or have fire safety work completed on your property, between 5/3/2016 and 9/01/2017 (grant matching period).
- 2) Type of work: examples: brush clearing, removing lower limbs of trees, thinning groups of trees, weed/grass cutting, removing dead trees/limbs, removing large trees near roads or structures, chipping, burning debris, creating a fire break. The more detail the better.
- 3) Total Hours Invested: number of hours worked x number of workers
- 4) If you rented equipment such as a chipper, mower, bobcat, include the costs here.
- 5) If your hours worked were done by paid vendors—please record the total cost, but also break up the hours working.
- 6) Send the information to the council monthly or retain until requested.
